We now offer E-Lending with secure signing and encrypted emails.

This is an easy and convenient way to apply for and sign loan documents. For more information on this new technology, and/or to start the loan process, send us a message requesting to start an E-Loan to our group email:

amfcu4u@windstream.net

Any of our staff members will be happy to assist you.

Your Credit Union is backed by the full faith and credit of the U.S. Government by the National Credit Union Administration (NCUA). The National Credit Union Share Insurance Fund (NCUSIF), which works just like the FDIC, insures deposits up to at least \$250,000. Detailed information on insurance can be found online at www.ncua.gov in the Share Insurance Toolkit section.

Risk Based Lending

AMFCU uses a risk based lending policy to determine a member's interest rate. In grading a loan application, the credit bureau provides a calculated national risk score, which is then matched to a letter score of A, B, C, D, or F. Rates have been set according to a corresponding letter grade. The letter grade of A would receive our best rate, while tiers B, C, D, and F grades would each receive a slightly higher interest rate. Rates are based on credit risk, vehicle year, term and amounts financed.

The purpose in offering risk based loans is to help as many members as possible. We recognize that certain members represent more risk than others. We will not grant loans where the probability of repayment is very doubtful. We recognize the importance of managed risk. We also recognize members who are charged unfavorable rates with other lenders that we could help with a managed risk program that saves these members substantial money while helping them rebuild their credit.

APR – Annual Percentage Rate. AMFCU assumes no responsibility for errors or omissions. Please contact the credit union to verify any rates or additional information.
